

The Falmouth Historical Society  
Annual Report of the Secretary  
October 21, 2014

The Board of Directors of the Falmouth Historical Society first gathered at the Falmouth Memorial Library for an orientation November 28, 2013 where the initiatives for 2014 were presented and discussed.

The Board met again in January, February, March, May, and September. The Executive Board met one week prior to each of those meetings.

Some of the accomplishments this year have been represented in the Memorial Day Parade, the opening of the Museum in June, the Fall Festival at the museum in September; the fabulous programs that have been presented; the reorganization of the Whipple Farm House office; the purchase of a new laptop to further help us organize the material at the office/museum; and we look forward to having a table at the November 4<sup>th</sup> election and our joint participation with the town and library on November 11<sup>th</sup> at the Veterans Day celebration at the Dedication of the new Veterans Memorial at the Legion Hall followed by a presentation at the library and finally the program at night where we will present Barry Hamilton speaking about the Wreathes Across America program at Ocean View.

We look forward to having more members volunteer next year so we can better serve the public at the museum and make more of a presence in the community at other events.

Respectfully submitted,

Betsy Jo Whitcomb, Secretary
